

INVERTER AIR PLASMA CUTTERS

- > **KECUT Series** have the function of automatic protection under the condition of over heat, over current, over voltage.
- > Its adopt containing arc starting to increase the cutting capability. Compare with fusion welding & increased 1.8 times.
- > It can cut Mild Steel, Stainless Steel, Copper & Alluminium easily.

MODEL	KECUT - 40	KECUT - 60	KELGK - 100*
Power Input	220/50Hz/1Ph	220/50Hz/1Ph	50Hz/3Ph
Rated Input Capacity	4.8	9.5	30
No Load Voltage	230	230	280
Cutting Thickness (mm)	12	20	25
Weight (Kg.)	8.5	19.00	148

*Diode Technology
