"HEAVEN'S SPECIAL CHILD"

(Dedicated to parents of handicapped children)

A meeting was held quite far from earth
It's time again for another birth,
Said the angels to the Lord above
This special child will need much love.

His progress may seem very slow
Accomplishments he may not know
And he'll require extra care
From the folk he meets down there.

He may not run or laugh or play
His thoughts may seem quite far away
In many ways he won't adapt
And he'll be known as "handicapped"

So let's be careful where he's sent
We want his life to be content
Please Lord find the parents who
Will do a special job for you.

They will not realise right away
The leading role they're asked to play.
But with this child sent from above
Comes stronger faith and richer love.

And soon they'll know the privilege given
In caring for the gift from heaven,
Their precious charge, so meek and mild
Is "Heaven's Very Special Child".

DRISHTI

We have willfully admitted our daughter/son..... at Drishti from.....monthYear..... We have been clearly explained about the activities and the aims of the concern and have agreed to the aims of Drishti.We are fully informed that no Board examination is conducted by Drishti and it has been clearly stated that there is no Provision for NO examination at this centre.

The centre takes care of the general education/social and emotional development which is essential for any individual to efficiently communicate with the community. We have learned about the activities of the self help group and how it works and encourages the children to earn through vocational classes. We want them to function independently and take care of their basic need/communicate appropriately and lead a life with dignity as far possible depending on their individual ability.

We shall work together through healthy discussion and counseling and help our child to reach the individual goal in academic/social/communication/functional/self help as guided by the school.

Thanking You,
