- ~ Be a hero, Always say, "I have no fear"
- ~ Be a man and try to make those immediately under your care...brave, moral, and sympathizing.
- ~ Be a man first, my friend, and you will see how all those things and the rest will follow of themselves after you

## “PRACTICE FORGIVENESS”

- By Internationally Acclaimed Leadership  
Guru Robin Sharma

Forgiving someone who has wronged you is actually a selfish act rather than a selfless one. Letting go of the hostility and hatred that you may have allowed to bottle up inside you is actually something you do for yourself rather than for the benefit of the other person. As I teach in my life coaching programs, when you bear a grudge against someone, it is almost as if you carry that person around on your back with you. He drains you of your energy, enthusiasm and peace of mind. But the moment you forgive him, you get him off your back and you can move on with the rest of your life. Mark Twain wrote that, "Forgiveness is the fragrance that the violet sheds on the heel that crushed it." Forgiveness is a great act of spirit & personal courage. It is also one of the best ways to elevate the quality of your life. I have discovered that every minute you devote to thinking about someone who has wronged you is a minute you have stolen from a much worthier pursuit: attracting those people who will help you.

### The 4 Way Test

of the things we think, say or do :

1. Is it the TRUTH ?
2. Is it FAIR to all concerned ?
3. Will it build GOODWILL and BETTER FRIENDSHIPS ?
4. Will it be BENEFICIAL to all concerned ?
