Dear Esteemed Colleagues,

It is with immense pleasure and anticipation that we invite you to participate in **AIRWAY EAST 2024 – Advancing Excellence in Airway Surgery**, scheduled on 6th, 7th & 8th December, 2024 at Guwahati.

To stay abreast of cutting-edge surgical techniques and methodologies in the ever-evolving field of airway surgery, our Workshop is thoughtfully curated to provide a platform where experts, practitioners and enthusiasts from diverse medical disciplines can converge to exchange ideas, discuss complex cases, and learn from each other's experiences.

Comprehensive Hybrid Didactic Sessions by Internationally acclaimed Faculties: Sessions will cover fundamentals as well as latest advancements in Airway Surgery, Management of difficult Airways, and post-operative care.

Hands-on Cadaver Dissection Workshops: Learn and Practice in a simulated environment under guidance of stalwarts.

Live Surgical Demonstrations: Witness master surgeons performing intricate airway procedures and reinnervation techniques live with real-time commentary and Q&A sessions.

Interactive Panel Discussions: Foster critical thinking and collaborative learning.

Aspiring to be more than just an academic event, this community of passionate professionals committed for advancing the practice of airway surgery, promises you to lead through a comprehensive, interactive, and transformative learning experience for all attendees. We eagerly anticipate your presence in Guwahati for a distinguished educational experience fostering our professional bonding and growth.
